

Why Sponsor a RITA Webinar?

Sponsors help us provide direct education, awareness and updates to members of the self-directed retirement industry so that they can offer better service and guidance to investors.

RITA offers six webinars per year to help members and other retirement professionals keep up-to-date on current industry changes. RITA members must register but can attend at no cost thanks to generous sponsors.

Each 1-hour webinar (30-45 PowerPoint slides on proposed topic) addresses prominent and relevant issues in the self-directed retirement plan industry.

Sponsors can choose to present the webinar topic themselves or simply sponsor. Both opportunities include a 5-minute pitch about your services.

Past Webinar Topics Include:

- Industry Legislative & Regulatory Updates
- No Gold at Home? Reflections on the McNulty Case
- Cryptocurrency in Self-Directed IRAs
- Mitigating Elder Abuse

SDIP CONTINUING EDUCATION

RITA Members receive 1 continuing education credit toward their Self-Directed Industry Professional (SDIP) Certification. The SDIP designation signifies that an individual working in the self-directed IRA industry has attained comprehensive training in relevant educational areas.
