

RITA membership will provide you with the resources you need to move your company forward.

Founded in 1987, RITA is dedicated to the expansion of opportunities for all Americans to save and invest for retirement. We exist to be the leading educator and advocate for the self-directed retirement plan industry by providing resources, information, communication, and support to both our members and consumers.

"Being a member of RITA allows me to stay informed about events that directly affect our industry, as well as have the opportunity to network with other professionals who face the same challenges that I do."
